

Marine Biology Fall Bulbs Sales for Individual Participants to raise funds.

- **“Profit”** – The more you sell the more you will earn individually. The more the group sells, the more you will get per sale. Therefore, if we sell more as a group we can order more at a lower price per bulb. So, you will benefit by getting more money toward the cost of your trip😊.
- **Collect Money/Checks During Sale** – When you sell the bulbs, collect the money/checks at the same time. Have checks made out to “Waynesville High School.” You can turn in money/checks to me every Friday!
- **Keep me updated on sales** - Please keep me updated about how many bulbs you are selling so I can reserve the correct amount of bulbs. As you update me (EVERY FRIDAY), I can update the company and hold the bulbs we need. I do not want to be in a situation where we sell more than we can get because the company ran out of stock.
- **Timeline** – We will sell for the next 3 weeks. Please return all orders and money/checks to me by Friday, October 8.
- **Orders will arrive by Mid- to Late-October.** You will be able to get them to the people who purchased them by mid/late October.

Let me know if you have questions.
